## STANDARD GUARANTEE

(Recommended by American Shorthorn Association)

- A. Proper care must be given to purchaser to protect breeding qualities and health of guaranteed animals.
- B. All bulls are guaranteed breeders, provided they are not allowed to serve when under 14 months of age, or allowed to run with the herd when under 20 months of age. In case of failure of a bull to be a breeder, notice shall be given to the seller within six months of date of purchase, or by the time the bull is 20 months of age, if purchased under 14 months of age.
- C. With the exception of heifers sold under 14 months of age, all females are guaranteed breeders. Heifers under two years of age shall not be served by a heavy or old bull. Cows or heifers sold as bred, or safe in calf, not proving to be in calf, must be reported to the seller within three months after date of sale. Females over 14 months of age sold open, not settling within six months after date of sale, shall be promptly reported to the seller.
- D. When an animal fails to comply with the above guarantee, the seller has the option of substituting an animal of equal value to the satisfaction of the purchaser, or of having the animal returned for a trial for a period not to exceed six months. The expense of a freight in such case is to be paid by the seller. If the animal is then proved to be a breeder beyond doubt, it shall be returned to the purchaser at his expense. In case of dispute, the return of the full purchase price, without interest, to the buyer will be considered full settlement and satisfaction to all claims. No charge for feed or maintenance shall be made by either buyer or seller. Salvage shall go to the seller. It shall be understood that the same guarantee given for the first animal shall likewise apply to any animal later substituted.
- E. In the event an animal is returned by the buyer to the seller as a non-breeder, the buyer must furnish to the seller a veterinarian's certificate showing that his herd is healthy, if such a certificate is required by the seller.
- F. All animals catalogued have been tested for T.B. and are clean, and have also passed a test for Brucellosis thirty days prior to the sale, or are accompanied by a Bangs vaccination Certificate. Announcements will be made covering animals not clear from vaccination.
- G. Certificates of registry and transfer will be furnished with each animal sold. A signed pedigree application for unborn calves should be furnished with bred females showing names and record numbers of sire and dam, as well as service date.
- H. All prospective buyers should check health requirements of their states. Health certificates will be provided with each lot sold.

## **GENERAL INFORMATION**

**LOCATION**—The sale will start at 12:30 p.m. on Friday, March 14, and will be held at the Farmers and Ranchers Sale Barn, Salina, Kansas. This is a modern barn, with a fine restaurant.

**GUARANTEE**—All cattle in this sale will be sold under the standard guarantee endorsed by the American Shorthorn Breeders' Association. Certificates of registry and transfer will be furnished with each lot sold. Shipment will be made as soon as possible after the close of the sale, without trouble to the purchasers, but at their risk of loss or injury.

**TERMS**—The terms of the sale are cash.

**HEALTH**—All cattle will be T. B. and Bangs tested, and official calf-hood vaccinations for Bangs disease has always been practiced. All cattle are guaranteed to comply with the health regulations of any state or country into which they may go.

**LIABILITY**—Although every precaution will be taken to provide for the safety and comfort of those attending the sale, all who attend do so at their own risk. Neither the owner, auctioneer nor the sale manager accepts any liability for accidents that may occur.

**BIDS**—Those wishing to buy, who cannot be present, may leave with or send their bids to the sale manager; Bill Stunkel of The Shorthorn World; to Ken Holloway of the American Shorthorn Breeders' Association, Omaha, Nebraska; or to the press representative, Dwayne Dietz, Drovers' Journal, Harrisonville, Missouri.

**AUCTIONEER**—Dick Kane, Wisner, Nebraska.

**MILTON H. NAGELY**, Sale Manager, Phone Acme 305, Abilene, Kansas.

**A Free Heifer** will be given at the conclusion of the sale to a **Lucky Buyer**

— MANAGER'S MESSAGE —

This is the second annual sale for Cen-K, Dietz and Lindee Short-horn herds.

Cen-K sold the third top bull at the recent Denver Sale for \$1600. They also won the two-year-old class with their two-year-old Junior sire, Kar Burn Review 8th, a bull with length and size, and admired by many at the show.

The Dietz's from WaKeeney are not newcomers in the Shorthorn business. Their reputation herd is well known and buyers from the Central West have had success with their cattle. Only the best bulls of the breed have been used. Many years of experienced good management goes with this herd.

Lindee Farms, Galva, has used top bulls like Remitall Keynote, son of Kelburn Great Event. This bull cost \$2000. His first son sold for \$1010 in a Mid-Kansas Sale at Salina. Fernwood Ocean Guard by Bapton Guardsman, and Lewisfield Ranger by Shirgarten Ranger are two other bulls used at Lindee.

Service sires represented in this sale will guarantee good quality cattle in this sale.

Anyone purchasing cattle in this sale will have an opportunity to win a Free Heifer.

Milton Nagely, sale manager.

KC WHITE TORNADO was purchased from KC Farms after a very successful show career. He was grand champion at the 1967 Kansas State Fair, 1st at the National Western and second twice in class at Chicago International. He was in all the winning gets in the major shows throughout the U. S. His sire is the great Glamis Benefactor. The dam of Tornado is the imported Saltoun Margaret cow that rates as one of the best at KC. She is the granddam of KC Royal Event, the new herd sire acquired by Tomson Bros. to head their good herd. Here is a great opportunity to buy the service of one of the breeds biggest and best young bulls. KC Farms retained an interest in this bull and his first calves are expected this summer.
